\*If your phone uses a swipe to access passcode, please disable it or draw the passcode below so we can properly test your device.

Example: Draw a circle around the starting point.

Manufacturers warranties, including AppleCare Limited or Protection Plans, do not reimburse us for the labor of evaluating and troubleshooting your equipment. **Software repair or troubleshooting is not covered by warranty and Shipping is not covered by Warranty.** Examples of accidental damage are liquid spills or drop damage which void warranties. If accidental damage is found, the repair will proceed outside of warranty upon approval of pricing quote.

Kamloops Cell Repair assumes no responsibility for data lost during servicing and any equipment left beyond 30 calendar days from receiving will be considered abandoned. It is the customers responsibility to backup important data prior to service release. Your hardware will be returned once payment is received, certain repairs require deposit or pre-payment.

Customer release signature is required for us to service your equipment. \_\_\_\_\_

**Important -- Signature Required for Service**
